

A DOLLAR'S WORTH FOR A DOLLAR.

Before You Go Under the Taperline

It will pay you to have a talk with us about your clothes, no matter how big your income. You would not doubt have no objections to saving \$10 to \$20 on your suit. Hart, Schaffner & Marx clothes for men are very different from the ordinary ready-made clothes. They have met the merchant tailor on his own ground, and by virtue of superior capabilities and resources have him beaten to the tune of \$10 to \$20 saved for you. Don't you think this worth a visit of inspection. Some sort of a saving effected on Overcoats, Cravettes, and, in fact, all of men's wearables.

NEW INTEREST IN K. OF P. CIRCLES

JOINT MEETING WILL BE HELD
FEBRUARY 14, AT WHICH
GOOD PROGRAM WILL BE
RENDERED.

From a feeling of almost utter indifference for some time past a distinct revival has taken place among the various Pythian organizations in the city. A friendly rivalry is at present in existence among the different members, which bids fair to work much good for the lodges generally. This is as it should be for probably no one organization of its kind has done more good for the community. Let the good work go on so that this section may be represented both in numbers and material at the grand biennial convocation which is to be held in New Orleans during the summer of 1906, at which all Pythians are expected to be present.

Rathbone Lodge.
Rathbone Lodge No. 30, held its regular weekly convention Thursday night. An unusually large membership was present, indicating a renewed interest in K. of P. circles. Interesting ceremonies in the rank of esquire were conducted, one candidate receiving the rank.

Next Thursday night the rank of knight will be conferred on two candidates and the full strength of the lodge will no doubt be present.

District Meeting.
On February 14, there will be held at the lodge rooms a joint meeting of the four Pythian lodges of the city. In addition to initiations in the different degrees, addresses will be delivered, elegant refreshments will be served and a general good time will be observed. All resident and visiting knights are cordially invited to be present.

HEALTH
Means the ability to do a good day's work, without undue fatigue and to find life worth living. You cannot have indigestion or constipation without its upsetting the liver and poisoning the blood. Such a condition may be best and quickest obtained by Herbine, the best liver regulator that the world has ever known. Mrs. D. W. Smith writes, April 3, 1902: "I use Herbine, and find it the best medicine for constipation and regulating the liver I ever used." Price 50 cents. Sold by all druggists.

MAY ORGANIZE AT WARRINGTON

MOVEMENT ON FOOT TO ESTABLISH K. OF P. LODGE AT THAT PLACE SOON.

Steps are now on foot among the members of the various Pythian lodges of the city to organize a lodge at Warrington, and from what has so far transpired, it is more than probable that the effort will prove successful.

There are quite a large number of residents of Warrington who are now members of the various K. of P. lodges in Pensacola, but owing to the distance from the city to Warrington many of them are unable to attend the meetings. As a consequence a movement is now on foot to establish a lodge at Warrington. A petition has been in circulation for several days for this lodge, and it has a large number of signers.

Should the lodge be installed at Warrington it will give renewed interest to the order at that place.

The finest and Purest Champagnes contain no artificial addition of alcohol, and as such G. H. Mumm's Extra Dry ranks preeminently above all other brands, hence its immense importations of 131,330 cases in 1904.

An event, which is being looked forward to with more than ordinary interest is the gumbo supper, which is to be given next Wednesday night at the hall of the Catholic Knights of America. The ladies having the supper in charge are arranging an elaborate program for this occasion, and promise each person who attends a pleasant time.

the republican members of congress will receive proper credit throughout the country for whatever remedial legislation they may pass upon this subject of railway abuses.

"But the greatest credit is due Mr. Hearst for having antedated the president's recommendations in his late message, and the present proposed legislation by the republicans in congress. His bill to correct railway abuses was introduced nearly a year ago, and embodied all the good features of the president's recommendations, subsequently made, and of the proposed legislation set out in the majority bill of the committee on commerce, without the defects and glaring deficiencies of that bill."
